To Whom It May Concern;

It is with pleasure that I recommend the Crothall Service Group who have consistently provided services to our organization which exceed our expectations.

The standards set by the needs of the residents of the Sandy Nininger State Veterans Nursing Home require dedication as well as commitment to task. The Crothall Group staff has integrated within our own to form a well functioning unit providing the very best services to our nation's veterans.

We commend the Crothall Group for the standards they have set from their managers to their line staff.

Thank you,

Lawrence Militello, NHA
Administrator
