Dear Chris:

I am happy to recognize Crothall Laundry Services for the high quality linen service rendered to Foothill during the past several years. Our original transition (from a long term contract service) to Crothall, expertly lead by Terry Franklin was followed by a strong and consistent delivery of service and value that continues to this day.

Evidence of this value is seen in our recent renewal of a multi-year agreement, and of two sister hospitals now also being served by Crothall. It is a pleasure for me to work with this talented group of professionals and I look forward to working with you in the years to come.

Sincerely,

Steve Carlson
